Muriel's Workshop - Fall

_____ **Advanced Fine Art Digital Photography:** Saturday 10:00 - 11:30 AM eight sessions beginning October 2, 2010.

Getting Started with your Digital Camera: All camera types are welcome from pocket to SLR's. Minimum features on your digital camera should include program mode, 3:1 optical zoom, 5 megapixels.

Getting Started with Photoshop Elements: We will provide computer and Elements software for anyone who cannot bring their own laptop.

The limited class size allows us to give one on one help and instruction to each student.

The registration fee must be paid in full prior to the beginning of the first session.

No refunds after the first class. To register, print this form, fill it out and send with a check to:
